WORLD BOUTIQUE HOTEL AWARDS 2018

Onsen @ Moncham

Wins

Southeast Asia's Best New Hotel

On Thursday evening November 8, 2018, Onsen @ Moncham was awarded one of Asia's top honors when the 8th annual World Boutique Hotel Awards 2018 were announced in a star studded gala in the heart of London. After traveling to all four corners of the globe, the judges reviewed more than 300 hotels before selecting Onsen @ Moncham as a true gem among gems in SE Asia, Best New Hotel!

The World Boutique Hotel Award is the first and only international award organization exclusively dedicated to recognizing unique excellence among luxury boutique hotels. The nominee hotels are evaluated personally by a member of a judging team, ensuring that all winners are capable of transporting their guests into a novel world through the history of the location, its culture and its own stylistic flair.

"It's a true honor to win such a prestigious award for our newest addition to our portfolio of managed properties, Onsen @ Moncham. We are truly humbled as this award reaffirms the commitment of ownership vision, management leadership, associate service, style and uniqueness - Thank you!" - Michael S. Howard, Managing Director, who was on hand to accept the award.

Added Resort Manager Jukkrawat La-onsuwana, "I am thrilled to know that our efforts to meet and exceed the needs of our guests in both design and delivery have brought us this international recognition."
